What we will be working on...

Language Arts: We will be learning how to write, recognize, and make the sounds for letters D, G, & J.

Math: We will work on recognition and counting for numbers 1-4. Our shape of the month is star and the color of the month is yellow.

Art/Fine Motor: We will be making Christmas crafts. We will use our fine motor skills to wrap them so they are ready to give as gifts to friends and family.

Social Skills: We will be discussing the importance of giving and gratitude. We will be practicing good manners in gift giving.

At Home: Please practice name writing, counting, & letter identification. It is also important to read to your child everyday!

MERRY CHRISTMAS & HAPPY NEW YEAR!
We hope you enjoy the holiday break!
